

## **FREE Virtual Training Seminar**

### **Forensic Friction Testing**

**Thursday, March 11, 2021 - 1:00 p.m.**

This session is being offered in partnership between the **Indiana Association of Certified Accident Investigators, Purdue Road School, and Purdue University's Joint Transportation Research Program.** Public safety officials investigating serious bodily injury and fatal crashes often conduct friction tests as part of their investigation. This virtual session will cover the common techniques used by local police agencies for conducting friction testing. Drone footage will be used to demonstrate recent tests.

#### **Session Presenters:**

Robert Hainje, Tippecanoe County Sheriff's Office  
Robert Wilcox, Fort Wayne Police Department  
Robert Oleksy, Madison County Sheriff's Department  
Ayman Habib, Purdue University  
Darcy Bullock, Purdue University  
Jijo Mathew, Purdue University  
Jairaj Desai, Purdue University

**You must register at the link below to receive  
ILEA training credit for this FREE training**  
(Certificates and LETB roster will be emailed to the email provided)
