

One-Day Training Seminar

Occupant Kinematics

Wednesday, May 6, 2026

8:00 a.m. – 4:00 p.m.

Registration will begin at 7:30 a.m. ~ Lunch is on your own

South Bend Police Department

Training Room

701 W. Sample St.

South Bend, IN 46601

Expert Instruction by:

Greg Sullenberger

About the Instructor:

Mr. Sullenberger is a fully accredited Traffic Collision Reconstructionist with over 30 years of experience investigating traffic collisions, including over 20 years of full-time law enforcement experience. His certifications are held from the leading training institutions, and he is accredited by the Accreditation Commission for Traffic Accident Reconstruction (ACTAR). He is a federal and state qualified expert in the field of traffic crash reconstruction and qualified as an expert in Occupant Kinematics. Greg is published by the Society of Automotive Engineers in pedestrian collision investigation and co-author of IPTM's Occupant Kinematics course. He is owner of Vector Collision Analysis and has served as the chair for the internationally renowned World Reconstruction Exposition (WREX) in both 2016 and 2023.

Seating is limited so you MUST REGISTER TO ATTEND [HERE](#)
