

**INDIANA ASSOCIATION OF CERTIFIED
ACCIDENT INVESTIGATORS**

TRAINING ANNOUNCEMENT

The IACAI will be sponsoring a two-day training seminar on:

Live Crash Testing / Using Scene Evidence

Wednesday, September 23 and Thursday, September 24, 2015

8:00 a.m. – 4:00 p.m.

**Plainfield Recreation Center
651 Vestal Rd., Plainfield, IN**

(Testing will be held at Adesa Indianapolis Auto Auction 2950 E Main St, Plainfield, IN)

After meeting for an introduction at the Rec Center, day 1 will consist of multiple outdoor live crash tests, so dress appropriately for the weather! After each test, participants will perform hands-on evidence collection and be able to document, measure, and download vehicles (if EDR equipped) from each test. Day 2 will consist of examination of the day 1 data and various evidence collection tools, hardware, and software. Each participant will receive a USB flash drive with all the data collected/shared from both days.

**Tuition Cost \$99.00 for current IACAI, IATAI, MATAI members
\$149.00 for non-members**

PAID DIRECT TO: INDIANA ASSOCIATION OF CERTIFIED ACCIDENT INVESTIGATORS

[Lodging and meals are the attendee's responsibility](#)

Class size is limited to 45 on a first come first served basis

Advance registration IS required

To register contact IACAI President Kip Shuter at
indianaIACAI@gmail.com or by phone 574-372-9520
Registration deadline is Tuesday, September 8, 2015

[Required Materials](#)

Each participant should bring their usual recon investigation equipment, such as; cameras, video cameras, video UAV's (if equipped), CDR tool kit, scene measuring equipment (total station, photogrammetry markers, LTI, tapes, etc). Each participant should also bring a laptop computer with your respective recon software already installed, with power cable, extension cord, and any other device you would normally use.
