
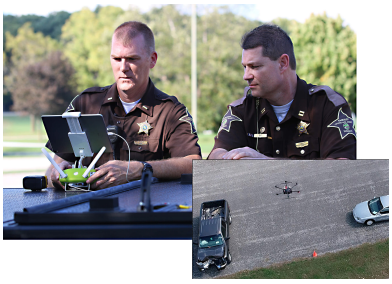
UAS Crash Scene Mapping with UAV Photogrammetry

Thursday, September 26, 2019

8:30 a.m. – 4:00 p.m.

Registration will begin at 8:00 a.m.

Beck Agricultural Center
4550 US 52 W
West Lafayette, IN 47906



$50 for members / $75 for non-members

Attendees will be invoiced at the end of the training unless payment is brought to the training
IACAI accepts credit card payments via Square

During this seminar we will do a brief iWitness Close Range Photogrammetry refresher, and cover the steps to capture Crash Scene Mapping with UAV Photogrammetry. This seminar will provide steps to prepare scenes, program flights, capture images, process UAV photographs and interpret the final outputs captured by the UAV photogrammetry process. There will be a live demonstration of each process, weather permitting. The seminar is presented by the Indiana Association of Certified Accident Investigators, in conjunction with the Joint Transportation Research Program (JTRP), Tippecanoe County Sheriff's Office, and Lyles School of Civil Engineering.

Lunch will be provided
